

# How to get a refund from Apple on an iPhone or iPad

1. Start / Select the **App Store** icon  on your iPhone or iPad.

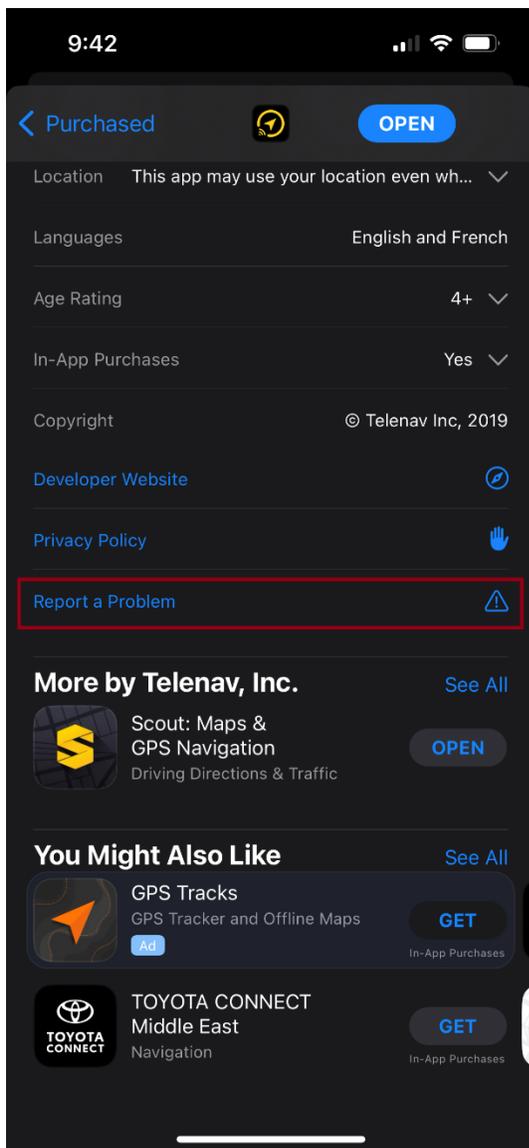

2. Tap your account icon at the top right.

**3.** On the **Account** page, tap **Purchased**, and if you are enrolled in the family plan, also tap **My Purchases**.

**4.** Find the item you want to get a refund for (Scout GPS Link) and then tap it.

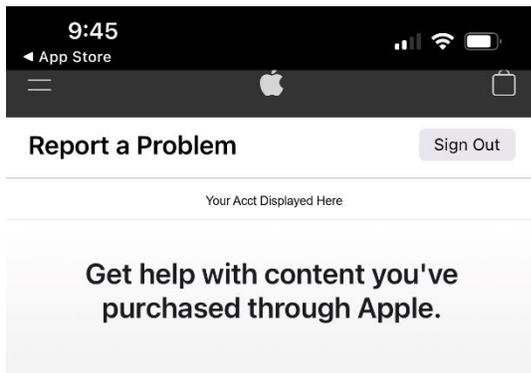

**5.** Scroll to the bottom of the page and tap **Report a Problem**. You may need to log in with your Apple ID.

6. Under **What can we help you with?**, tap **I'd like to...** and then choose **Request a refund**.

7. Tap **Tell us more...** and choose the reason for the refund.

8. Tap **Next** and then complete the submission.
